The screenshot shows a web browser with the address bar at `challenge01.root-me.org/web-client/ch1/`. The page content is the source code of a JavaScript challenge. A search bar is visible over the code. A dialog box from `challenge01.root-me.org` is displayed, stating: "Mot de passe accepté, vous pouvez valider le challenge avec ce mot de passe. You can validate the challenge using this password." with an "OK" button.

```
<html>
<head>
<script type="text/javascript">
/* <[CDATA[ */
function login(){
    pass=prompt("Entrez le mot de passe");
    if ( pass == "123456azerty" ){
        alert("Mot de passe accepté, vous pouvez valider le challenge avec ce mot de passe.\nYou can validate the challenge using this password.");
    }
    else {
        alert("Mauvais mot de passe / wrong password !");
    }
}
/* ]]> */
</script>
</head>
<body onload="login();"><link rel="stylesheet" property="stylesheet" id="s" type="text/css" href="/template/s.css" media="all" /><iframe id="iframe" src="https://www.root-me.org/page-externe_header"></iframe>

The second screenshot shows the challenge page on the Root Me website. The challenge is titled "Javascript - Source" and is worth 5 points. It was created by user `g0uZ` on 7 October 2006. The page shows a "Start the challenge" button, a list of related resources (including RFC 1945), and a validation section with a green bar indicating success: "Well done, you won 5 Points". There is also a "Don't forget to give your opinion on the challenge by voting" section with a "tweet it!" button and a password input field.
